### **Grounding, Towing Assistance and Levied Fine Agreement**

As a condition of Chartering; Renting or Operating any vessel from Florida Keys Sailing, Inc. I accept the full and absolute responsibility for all of the following in addition to the Rental and Damage Agreement.

1: Grounding: If any vessel runs aground while in my possession either by my use or misuse I accept full responsibility without further recourse.

2: If Towing Assistance is required either from a Private Operator or a Commercial Towing Company, or Florida Keys Sailing; I am fully responsible for any charges due and payable, without further recourse.

3: If any Fines or additional Fees are levied by any Federal or State Agency, such as the US Coast Guard; Florida Marine Sanctuary or the Florida Fish and Wildlife Commission I agree to pay those amounts without further recourse.

I am aware that any grounding of a vessel would result in some damage however minor to that vessel. I am also aware that **a minimum of \$400** will be considered Damage to that vessel and will be charged in accordance with the Rental and Damage Agreement.
